

Legendary Lovers (The Prismatic World Tour)

Katy Perry

Under a silver moon, tropical temperature
I feel my lotus bloom, come closer
I want your energy, I want your aura
You are my destiny, my mantra
Never knew I could see something so clearly looking through my third eye
Never knew karma could be so rewarding and bring me to your life
Maybe this is the beginning of something so magical, tonight (oh, oh)
Take me down to the river
Underneath the blood orange sun
Say my name like a scripture
Keep my heart beating like a drum
Legendary lovers, we could be legendary
Legendary lovers, we should be legendary
Go down in history
Go down together, into infinity, forever
You're Cleopatra
You're blushing Juliet
Anything for your love, a ride or die
Never knew I could see something so clearly looking through my third eye
Never knew karma could be so rewarding and bring me to your life
Maybe this is the beginning of something so magical, tonight (oh, oh)
Take me down to the river
Underneath the blood orange sun
Say my name like a scripture
Keep my heart beating like a drum
Legendary lovers, we could be legendary
Legendary lovers, we should be legendary
Take me down to the river
Underneath the blood orange sun
Say my name like a scripture
Keep my heart beating like a drum
Legendary lovers, we could be legendary
Legendary lovers, we should be legendary
Take me down to the river
Underneath the blood orange sun
Say my name like a scripture
Keep my heart beating like a drum
Legendary lovers, we could be legendary
Legendary lovers, we should be legendary
