

# Hold On

## 22-20s

Strangers in my backyard  
Selling you beliefs  
Danger in my empire  
Trouble on the streetsAnd I don't want to modernize  
And I don't want to rearrange  
I don't want to fix up  
And I don't want to changeHold on  
To the things that you love  
Hold on  
To the things that you love  
Hold onDanger in the papers  
Danger in the magazines  
Sell you ideas  
Sell you false dreamsAnd I don't want to modernize  
And I don't want to rearrange  
I don't want to fix up  
And I don't want to changeHold on  
To the things you can feel  
Hold on  
To the things that are real  
Hold onStrangers in my backyard  
Selling you beliefs  
Danger in my empire  
Trouble on the streetsAnd I don't want to modernize  
And I don't want to change  
I don't want to fix up  
I don't want to rearrangeHold on  
To the things you feel  
Hold on  
To the things that are realHold on  
To the things that you love  
Hold on  
To the things that you loveHold on  
To the things you believe  
Hold on  
To the things that you seeHold on  
To the one that you love  
Hold on  
To the one that you love
