Tornado

Anttix

Walking around in a daze Im dizzy
Ever since I met you
Spend all day staring at my phone
Just waiting for a
To come through
And Im addic-ted to you (haha)
I like the way you make me feel like you do (oh)Dont care if youre lying or if youre telling the truth
Im high on life and its all cos of you
Youre showing me a side of me that I never knew
Cos everyone around me can see that you (cos everyone around me can see that you)You spin me round, and around and around and around and a
Like a tornado
Around, and around and around and around and a
You just wont let go
You do something to me that makes me lose my mind
You spin me round, and around and around and around and a
Like a tornadoIts like being on a rollercoaster spending all my time with you
One day Im up, the next day Im down
Then I go loop-da-loop
Whether its a Monday, Sunday, every days a party when Im with you
Cos I know that one day, someday, the rest of the party will feel it tooDont care if youre lying or if youre telling the truth
Im high on life and its all cos of you
Youre showing me a side of me that I never knew
Cos everyone around me can see that you (cos everyone around me can see that you)You spin me round, and around and around and around and a
Like a tornado
Around and around and around and a
You just wont let go
You do something to me that makes me lose my mind
You spin me round, and around and around and around and a
Like a tornadoYou spin me round, and around and around and around and a
Like a tornado
Around and around and around and a
You just wont let go
You do something to me that makes me lose my mind
You spin me round, and around and around and around and a
Like a tornadoYou spin me round, and around and around and around and a
Like a tornado

Around and around and around and a
You just wont let go
You do something to me that makes me lose my mind
You spin me round, and around and around and around and a
Like a tornadoWhoahh-ooohh-oh
Whoahh-ooohh-oh
Whoahh-ooohh-oh
Like a tornado
You do something to me that makes me lose my mind
Whoahh-ooohh-oh
Like a tornadoYou spin me round, and around and around and around and a
Like a tornado
Around and around and around and a
You just wont let go
You do something to me that makes me lose my mind
You spin me round, and around and around and around and a
Like a tornado
