Demise

Tricky

So you like to demise with your pen
Was the same, I was the same that when?
Then and now, I wanna change
But don't know how
Do's and don'ts, don'ts I don't likeShe's not Tina and I'm not like Ike
But what is Ike like
Is Ike what you write
I don't know, I don't know
I don't know, I don't knowWe'll disarm you, ask Julian Palmer
Only jokin', too much smokin'
But it's okay, it's okay
We've been through too much yesterdayTell you what we're gonna do
They'll protect me from me, I'll protect from you
By any means, by any means
By any means, by any means
Please, won't you try?
Stop me talkin' like a tough guySubject matter's love
Subject matter's love
What would I need another enemy?
I know I love youI can feel you in my energy
I'm too scared to be a gun totting gangster wanna be
I've got too much loveMeet you on Mondalay
(Too much inside of me)
Or next week
If I'm Tina, I guess I'm weak
Big take makin' my head ache
Big take makin' my head acheIt's not your fault
You don't understand
Take our hand
We give, so don't be negativeYou don't feel the, 'cause you feel yourself
Stuck up in your own head
Leave that till I'm dead
What do I think?
I think instinct
