She Was Right

Fink

Oh she left me
Yes she did
She was right
She was right
She was right to do it
And she didAnd I think about her
With the music getting louder
To the whisky
And to the powder
She was right
She was right
She was right
She was right
Oh lordOh she was right
To leave me
She was right
To leave that night
To do it when she did
Oh yeah
She turned her back on me
And was right for the last time
YeahShe was right for the last time
Oh yeah
Oh yeah
