

Barry Manilow Medley

Regine Velasquez

COULD IT BE MAGIC

Spirits move me everytime I'm near you
What a life in cycle in my mind Has if Peter, angel on my lifetime
Answer to all answers I can find
Baby I love you
Come, come, come to my eyes
Let me know the wonder of all it
Baby I want you now, now
Now withhold on past
Could it be the magic at last Baby take me
High up on the hill side
Higher where the stallion meet the sun
I can love you
Build my world around you
Never leave you till my life is gone
Baby come, come into my house
Let me all the wonder of all of you
And baby I want you now, now
Oh now hold on this

Could this be the magic at last? WEEKEND IN NEW ENGLAND

Last night, I waved goodbye, now it seems years
I'm back in the city, where nothin' is clear
But thoughts of me, holdin' you, bringin' us near
And tell me
When will our eyes meet?
When can I touch you?
When will this strong yearnin' end?
And when will I hold you again? I feel the change comin', I feel the wind blow
I feel brave and daring, I feel my blood flow,
With you I could bring out all the love that I have
With you there's a heaven, so earth ain't so bad
(Repeat refrain) EVEN NOW
Even now when I have come so far
I wonder where you are
I wonder why it's still so hard without you
Even now when I come shining through
I swear I think of you
And God I wish you knew
(somehow) even now. Even now when I never hear you name

And the world has changed so much
Since you've been gone
Even now I still remember
And the feelin's still the same
And this pain inside of me goes on and on
Even now(reapeat except last 2 words)IF I SHOULD LOVE AGAIN
If I should love again
If I find someone new
It would be make believe
For in my heart it would be you
And though I hold her close
And want him now and then
I'll still be loving you
If I should love again(Repeat)
If I should loveÃ¢?Â!
Again
