

# Guardian Angel

## T.o.k.

Lord, please, could you save me, and get me from my enemies.

Lord, please, send me someone to guide me through.

Lord, please, could you save me, and get me from my enemies.

Lord, please, send me someone to guide me through.

Send me a Guardian Angel(angel), give us some strength from above(give us  
Some strength from above)

Send me a Guardian Angel(angel), give us some help from above(give us some  
Help from above)

Ohh, 'Cause in these times when you're down and broken hearted and desperate  
Goin' nowhere, nobody cares, you stop to look in the mirror and stare, but  
Nobody's there. Outta my mind can't seem to run from myself I can't think,  
Can't even sleep, can't even eat. I can't do this by myself, I need  
Somebody else.

Send me a Guardian Angel(Angel), give us some strength from above(give us  
Some strength from above)

Send me a Guardian Angel(Angel), give us some help from above(give us some  
Help from above)

Ahh, so lovely, a world, it would be if we lived in harmony, loving one  
Another, just as if it's family instead of the killing and hate won't you me  
Send someone 'cause I just can't do it alone

Well, living on Earth, sometimes it feels like Heaven sometimes it's like  
Hell some people ask jaffi what Jehovah man kind can find and put on a  
Spell. Really no matter where you go, you could be a rich kid parra shotta  
Where ya ask... make sure you know no sell

Send me a Guardian Angel(Angel), give us some strength from above(give us  
Some strength from above)

Send me a Guardian Angel(Angel), give us some help from above(give us some  
Help from above)

Send me a Guardian Angel(Angel), give us some strength from above(give us  
Some strength from above)

Send me a Guardian Angel(Angel), give us some help from above(give us some  
Help from above)
