Their words are not worth your life

Your success is the best revenge

Be different

D.P. Da Prophet

Live Forever Through Music (tag) Hook 1: (Amber Kay)

Maybe it's the color of my skin

Maybe the style of my hair

Maybe it's the size of my clothes

Maybe the shoes I wear

But I'm different

I'm different

Maybe it's the way I walk

Walking on my own path cuz I'm different Verse 1: (D.P. Da Prophet)

I'm different not talking 2 Chainz

Aint dissing telling the truth man

Know how it feel growing up

Never ever being the cool man

Not one day did they ever like me

Everyday wanted to fight me

Didn't wear Jordans or Nikes

Guess that made me invisible

Like I won't there non existent

So why they talk about me every minute

Fat boy fat boy bet they stop talking if fat boy killed them

They said they wish I die wonder how they feel if I really slit them

Many days I cried I'm a man can admit my feelings

Long nights, cold sweats, nightmares, death threats

No friends just leaches

This for the kids who sat in the bleachers

Never got to play the field or get they rep on

Feeling like a staircase always getting stepped on

I felt like a psyche ward should be my new home

Was cutting myself and punching walls

Thinking I should move on

Runaway, runaway, runaway and never come back

Maybe in another life huh they would love me

So I switched schools, everything was cool

For a few weeks, then it changed

When my new friends told me people
From my old school said I was lame
Now it's back to me all alone
Isolated pissed off
But in the end losers always become the rich ones Hook 2: (Amber Kay)
Maybe it's the color of my skin
Maybe the style of my hair
Maybe it's the size of my clothes
Maybe the shoes I wear
But I'm different (I'm different I'm different)
I'm different (I'm different we different)
Maybe it's the way I walk
Walking on my own path cuz I'm different Bridge: (D.P. Da Prophet & Amber Kay)
Don't be afraid to be different, be different, be different (Don't be afraid)
Don't be afraid to be different, be different, be different (To be different)
Don't be afraid to be different, be different, be different
Don't be afraid to be different... no Verse 2: (D.P. Da Prophet)
No prom date so I didn't attend
No high school girlfriend
So I didn't learn how to love
Just lots of sex and drugs
No college applications cuz I thought it'll be worst
Than high school all the hating
Should of put my feet first
No remorse, no forgiveness
Just a cold heart getting colder
No happiness naw no joy
Just wishing my life was over
But I'm here to tell you
What I wish someone would of told me
Different's the new cool
Own it proudly
