

# Breakout (Fabulous Forty Mix)

## Swing Out Sister

Breakout Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout When explanations make no sense  
You're fighting with less confidence  
The time has come to make or break  
Breakout Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout The situations never change  
Tomorrow looks unsure  
Don't leave your destined trains  
What are you waiting for?  
The time has come to make or break  
Breakout Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout Some people stop at nothing  
If you're searching for something Lay down the law  
Shout out for more  
Breakout and shout  
Day in, day out  
Breakout Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
And breakout Lay down the law  
Shout out for more

Breakout and shout  
Day in, day out  
Breakout  
And breakout  
And breakoutLay down the law  
Shout out for more  
Breakout and shout  
Day in, day out  
You've got to find a way  
Breakout  
And breakout  
And breakout
