

Life (radio edit)

Haddaway

Life, life will never be
Life, life will never be the same Time is gettin' cold what is going on
What is on your mind are your feelings gone Need to see it clear where do we go
Why are you doing things all the things you do yeah
Yeah Life will never be the same life is changin' yeah yeah
Life will never be the same life is changin' Everybody needs somebody to love to love
Solo yeah
Yeah oh oh In the name of love you should draw the line
Got to feel secure
That you're still mine yeah
Yeah Life will never be the same life is changin' yeah yeah
Life will never be the same life is changin' Everybody needs somebody to love to love
Solo yeah
Yeah oh oh ... Life will never be the same Life is changin'
Solo oh oh yeah
Yeah oh oh yeah
Yeah
Oh oh yeah yeah Life will never be the same life is changin' yeah
Yeah
Life will never be the same life is changin' Life, life will never be
Life, life will never be the same
