The Beards

Into the fires down below,
Thats where the beardless people goInto the fires down below,
Thats where the beardless people goInto the fires down below,
Thats where the beardless people goAnd forever they will rot,
for all the beards they haven't gotAnd forever they will rot,
for all the beards they haven't gotAnd forever they will rot,
for all the beards they haven't gotInto the fires down below
Into the fires down below
Into the fires down below
Into the fires down below...
