Kill The King

Heathen

Danger, danger
The Queen's about to kill
A stranger, stranger
Life's about to spill[Bridge]
Oh no
Move away from harm
I need a spell, a charm
Fly like the wind
And the pawn will be gone
Speed on, and onKill the king
Tear him down
Kill the king
Strike him downPower, power
Happens every day
Power, devour.
All along the way[Bridge]Kill the king
Treason, treason
The spectre looms again
Treason, reason
The realm is safe, and thenOh no
Move away from harm
I need a spell, a charm
Fly like the rainbow
And the pawn will be gone
Speed on, and onKill the king
Strike him down
Kill the king
Got to take his crown
