

# Kill The King

## Heathen

Danger, danger  
The Queen's about to kill  
A stranger, stranger  
Life's about to spill[Bridge]  
Oh no  
Move away from harm  
I need a spell, a charm  
Fly like the wind  
And the pawn will be gone  
Speed on, and onKill the king  
Tear him down  
Kill the king  
Strike him downPower, power  
Happens every day  
Power, devour.  
All along the way[Bridge]Kill the king  
Treason, treason  
The spectre looms again  
Treason, reason  
The realm is safe, and thenOh no  
Move away from harm  
I need a spell, a charm  
Fly like the rainbow  
And the pawn will be gone  
Speed on, and onKill the king  
Strike him down  
Kill the king  
Got to take his crown
