

# Shallows

## Endless Hallway

Along the veins in a sea,  
Shallows and pockets are shimmering  
Tall as they get, water rises  
And sinks the vegetation that holds me down  
And I let the waves over my head  
Peeling away forever and on  
I get lost in all the languages we speak in  
And I'm never home when you write  
I look away from every sign  
I get lost in all the languages we speak  
They needed places to stay  
Water fills footsteps and fades away  
I've neglected all my blackest mistakes  
And they all collected to push me down  
I'm lost in cold water, lost in the sea
