Footprints

Sandra

Reaching higher ground
Pass the moon, through the stars
Pray for you to stay,
For a chance for a new start
We live an easy life
Love of my beating heart
Past time fade away
But every moment leaves a mark
Waves will break the water, not the sand
Footprints over my heart
People will stay, never depart
Footprints, sands of time
No one can take a love that's mine
Footprints, hold my hand
Leaving footprints in the sand
Sandwave running high
When the tide is getting high
They don't, they don't, they don't know
I will hold on tight, ride the storm
To be the sunshine again
Hold a hand, don't try to understand
This is for the one, we leave ... footprints in the sand
Footprints over my heart
People will stay, never depart
Footprints, sands of time
No one can take a love that's mine
Footprints, hold my hand
Leaving footprints in the sand
Footprints over my heart
People will stay, never depart
Footprints, sands of time
No one can take a love that's mine
Footprints, hold my hand
Leaving footprints in the sand
Hold a hand, don't try to understand
This is for the ones, if they leave footprints in the sand
Footprints over my heart
People will stay, never depart
Footprints, sands of time

No one can take a love that's mine
Footprints, hold my hand
Leaving footprints in the sand
Footprints over my heart
People will stay, never depart
Footprints, sands of time
No one can take a love that's mine
Footprints, hold my hand
Leaving footprints in the sand
