

Cordelia Brown

Harry Belafonte

Oh, Cordelia Brown, although' you never tell,
Oh, Cordelia Brown, still I know your secret well
Yes you fell in love with Ned
And when he left, your head turned red
And right well you know,
That what I say is true Oh, Cordelia Brown, what make your head so red
Oh, Cordelia Brown, what make your head so red
You say you come out in the sunshine
With nothing on your head
Oh, Cordelia Brown, what make your head so red
Oh, Cordelia Brown, yes I've been far and wide
Now I'm telling you, every girl wants to be a bride
So I know what happen to you
And please strike me down if it isn't true
He said he never would wed,
And that when your head turned red Oh, Cordelia Brown, what make your head so red
Oh, Cordelia Brown, what make your head so red
You say you come out in the sunshine
With nothing on your head
Oh, Cordelia Brown, what make your head so red Oh, Cordelia Brown, Saw you waiting' at the train,
Yes, he's gone away, might never return again
Now miss Brown may I confess,
I've yearned this long for your caress
Since your head so red
I think I'll marry Mabel instead
Oh, Cordelia Brown, what make your head so red
Oh, Cordelia Brown, what make your head so red
You say you come out in the sunshine
With nothing on your head
Oh, Cordelia Brown, what make your head so red
