

Day of Fire

Bring rivers in this wasteland
Clouds into this sky
Bring springs of life into the wells that have been run dry
Rise up in this city
Gather in this light
Fall down on your people
Your glory and your life
Rain
Lord we thirst for water
Rain
We are desert Land
Rain
On your sons and daughters
Rain
Bring your rain again
Speak dreams into this water
And vision to this land
That oceans be divided
And bring forth life again
Rise up in this city
Gather in this light
Fall down on your people
Your glory and your life
CHORUS x 2
Let the tide roll in
Washing over our lives
Let your water fall again
Bring rivers in this wasteland
Clouds into the sky
CHORUS x 2
Bring your rain again
Let your water fall down
Bring your rain again now
(repeat)
