# If I Die

## Stryper

You are my air
You are the ground that I stand upon
Oh, and I love YouYou are the light
The moon in the night and the sun of every dawn
And I need Your touch to heal me
Youre the one that I glorifyIf I die today
I know I can say
I dont have one regret
Cause I own Your redemptionAs long as I breathe
Ill always believe
That You took this life
And painted it with definition
So I am YoursLiving was hard
And loneliness easily justified
Oh, then I found YouOoh, I suddenly knew
What I wanted to do was to make You satisfied
And not to die for selfish pleasure
But to live with You by my sideIf I die today
I know I can say
I dont have one regret
Cause I own Your redemptionAs long as I breathe
Ill always believe
That You took this life
And painted it with definition
I am Yours, I am Yours, I am Yours, I am YoursIf I die today
I know I can say
I dont have one regret
Cause I own Your redemptionAs long as I breathe
Ill always believe
That You took this life
And painted it with definition
So I am YoursIf I die today
I wont regret
Cause I won Your redemptionAs long as I breathe
Ill always believe
That you took this life
And painted it with definition
I am Yours
