Follow, follow  
Follow, follow You're the one I follow  
Follow to the middle  
Middle of the shadows  
Far away from all the sorrows You're the one I follow  
Follow all the way oh  
Way into the darkness,  
Where the sun is shining yellow You're the one I follow  
Follow to the middle  
Middle of the shadows  
Far away from all the sorrows  
You're the one I follow  
Follow all the way oh  
Way into the darkness,  
Where the sun is shining yellow Follow  
Follow  
Follow  
Follow You're the one i follow  
Way into the darkness, into the darkness  
When the sun is shining yellow  
(Following a hole in the water?)  
Follow Follow Follow Follow Follow  
You're the one i follow You're the one i follow  
Middle of the shadow  
You're the one i follow  
Follow all the way-o (way oh?)  
Way into the darkness, into the darkness when the sun is shining yellow Follow  
Follow  
Follow  
Follow You're the one i follow  
(Buildup,) You're the  
You're the one i follow  
Follow trough the middle
