Talk to Me

Lee Ann Womack

If your heart is willing, then your head can rest
Start at the beginning, lay it down on my chest
If your soul is living, do your best
Start at the beginning, I'll do the restIf you can tell me what you're thinking
Find the words for how you feel
Understanding is forgiving
I can give you what you need
Darling, talk to meAs I sit here breathing, as I watch you undress
As your shoulder catches the sun in the west
As you cry so softly, put your fears to rest
Forgive yourself, let your tears steal your breathIf you can tell me what you're thinking
Find the words for how you feel
Understanding is forgiving
I can give you what you need
Darling, talk to meIf you can tell me what you're thinking
Find the words for how you feel
Understanding is forgiving
I can give you what you need
Darling, talk to meTalk to me
