

Waking Up In Vegas (Radio Edit)

[Katy Perry](#)

you got to help me out.Its all a blur last night.we need a taxi cause your all over and im broke.i lost my fake id
you lost the motel key.spare me a frekin dirty looks now dont blame me you want to cash out.get the hell out of
town dont be a baby remeber what you told me shut up and put your money where your mouth is thats what you
get for waking up in vegas . get up and shake the off your close now thats what you get for waking up in
vegas.why are these lights so bright did
