Saturday Come Slow

Massive Attack

Lost in the magic
From the last time
This town turning
My rose to desire
Saturday come slow
Do you love me?
Do you love me?
Is there nothing there?
In the limestone caves
In the south ways lands
One time in the kingdom
Belief is on the stand
Saturday come slow
Do you love me?
Do you love me?
Is there nothing there?
Saturday come slow
Do you love me?
Do you love me?
Do you love me?
Do you love me?
Is there nothing there?
