

Dreams (LIVE at the Whisky A Go Go 1986)

Van Halen

World turns black and white
Pictures in an empty room
Your love starts fallin down
Better change your tun, yeah
Reach for the golden ring
Reach for the sky
Baby just spread your wingsWe'll get higher and higher
Straight up we'll climb
We'll get higher and higher
Leave it all behindRun, run, run away
Like a train runnin off the track
Got the truth gets left behind
Falls between the cracks
Standing on broken dreams
Never losin' sight, ah
Spread your wingsWe'll get higher and higher
Straight up we'll climb
We'll get higher and higher
Leave it all behindSo baby dry your eyes, save all
The tears you've cried
Oh that's what dreams are made of
'Cause we belong in a world that must be strong
Oh that's what dreams are made ofWe'll get higher and higher
Straight up we'll climb
Higher and higher leave it all behind
Oh we'll higher and higher who knows
What we'll findSo baby dry your eyes, save all
The tears you've cried
Oh that's what dreams are made of
Oh baby we belong in a world that must be strong
Oh that's what dreams are made ofAnd in the end on dreams we will depend
'Cause that's what love is made of
