

# Amazona

## Los Soneros Del Barrio

Amazona  
Is a zone where  
There is no doubt  
No more fall-out  
Why don't you step  
Through the mirror and see?  
From Arizona to El Dorado  
Sure is a mighty long way  
Hey little girl  
Is something wrong?  
I know it's hard  
For you to get along  
The bell-tower rings  
It tolls a hollow sound  
But your castles in Spain  
Still may be realized  
And longings more profound  
You see every cloud has a silver lining  
And sometimes paradise  
Around your corner lies  
In Amazona everything is nice  
Little one come take my hand?  
I'll try to help you there  
I'll take you there  
Amazona's  
Getting closer  
Oh, soon you'll see  
Journey's over  
We're almost there
