

# Agent Orange (1080pHD)

## Sodom

Operation 'Ranch Hand'  
Spray down the death  
Down on their farms  
Assault against the population Suppress by military arms  
Only you prevent the forest  
Legalize the war, they are deprived of their power  
Eradication without law Agent Orange  
Agent Orange  
Agent Orange  
A fire that doesn't burn All the marks erased long ago  
Scars are healed up  
Cancer creeps into their innocent souls  
Memorials of flesh and blood Have survived unlawfully punished  
Poisoned till the end of their lives  
Physical deformity, what medicine will help?  
Still births will rise Agent Orange  
Agent Orange  
Agent Orange  
A fire that doesn't burn Grieved weak hearts are crying  
Waiting for the end  
In this condition they are dying  
Newborns of the damned Preserved in test tubes for generations  
Vicious circle of transmission  
There's no way for reparations  
Must live with chemical agent called Agent Orange  
Agent Orange  
Agent Orange  
A fire that doesn't burn Agent Orange, burn  
Agent Orange, burn  
Agent Orange, burn
