# Out on the Streets

## The Selecter

Out on the streets again
Looking for something
It just don't matter now I don't wanna care
I want to have some fun
Make a connection
I feel like a roller coaster
I don't wanna stop
Let's go somewhere, I don't know where lets go
Somewhere exciting
White lies and amber lighting
Try to seduce me
I don't wanna go there again
Don't wanna go, don't wanna go
But it's the only place to go oh oh
There's gonna be trouble I know oh oh
Don't wanna know don't wanna know oh oh
