Pieces Of A Dream

Incognito

You got me holding on, holding on, holding on
To the pieces of a dream
You got me holding on, holding on, holding on
To the pieces of a dreamBefore you go, I'd like to say
You give me so much satisfaction started up a chain reaction
Tryin' to work out in my mind
A way to let you know, oh, darlingYou're asking me to be strong
But I can't see the wrong in what I'm doing
Just want to hold you every day
Locked inside this feeling, I want you here to stay'Cause I'm holding, I'm holding on
To the pieces of a dream
I'm holding, still holding on
To the pieces of a dreamWhat can I do but to be true
I'm getting such a strong sensation and it's not my imagination
It's not me to pretend
So try and understand, oh, darlingMy heart is chosen to belong
And I don't see the wrong in what I'm feeling
I know it's time to say goodbye
But I'm not living in a lie, I want you here to stayI'm holding, I'm holding on
To the pieces of a dream
I'm holding, still holding on
To the pieces of a dreamI'm holding, I'm holding on
To the pieces of a dream
I'm holding, still holding on
To the pieces of a dreamAlrightOh, baby, you're asking me to be strong
But I still can't see the wrong in what I'm doing
Just want to hold you every day
Locked inside this feeling, I want you here to stayI'm holding, I'm holding on
To the pieces of a dream
I'm holding, still holding on
To the pieces of a dreamI'm holding, I'm holding on
To the pieces of a dream
I'm holding, still holding on
To the pieces of a dreamYou got me holding on, holding on, holding on
To the pieces of a dream
You got me holding on, holding on, holding on
To the pieces of a dreamYou got me holding on, holding on, holding on
To the pieces of a dream
You got me holding on, holding on, holding on

To the pieces of a dreamYou got me holding on, holding on, holding on
To the pieces of a dream
You got me holding on, holding on, holding on
To the pieces of a dream
