

Calypso Blues (1993 Digital Remaster)

Nat "King" Cole

Wa oh oh, wa oh oh
Wa oh wa oh wa oh way
Wa oh oh, wa oh oh
Wa oh wa oh wa oh way Sittin' by de ocean
Me heart, she feel so sad,
Sittin' by de ocean,
Me heart, she feel so sad
Don't got de money
To take me back to Trinidad. Fine calypso woman,
She cook me shrimp and rice,
Fine calypso woman,
She cook me shrimp and rice
These Yankee hot dogs
Don't treat me stomach very nice. In Trinidad, one dollar buy
Papaya juice, banana pie,
Six coconut, one female goat,
An' plenty fish to fill de boat.
One bushel bread, one barrel wine,
An' all de town, she come to dine.
But here is bad, one dollar buy
Cup of coffee, ham on rye. Me throat she sick from necktie,
Me feet hurt from shoes.
Me pocket full of empty,
I got Calypso blues. She need to, bubble like perculatah'
She come from Trinidad so winin' in her nature
Never can't I assess a reps until failure
Tell her if she stops she needs fe fly Air Jamaica
Anytime she land she nah go feel like no stranger
Carry us beyond we similar in behavior
Them no understand our customs and we flavor
Need a natty dred to be the new care taker, lord! These Yankee girl give me big scare,
Is black de root, is blond de hair.
Her eyelash false, her face is paint,
And pads are where de girl she ain't! She jitterbugs when she should waltz,
I even think her name is false.
But calypso girl is good a lot,
Is what you see, is what she got. Sittin' by de ocean
Me heart, she feel so sad,
Don't got de money

To take me back to Trinidad. Wa oh oh, wa oh oh
Wa oh wa oh wa oh way
Wa oh oh, wa oh oh
Wa oh wa oh wa oh way She need to, she need to, she need to, bubble like perculatah'
She come from Trinidad so winin' in her nature
Never can't I assess a reps until failure
Tell her if she stops she needs fe fly Air Jamaica
Anytime she land she nah go feel like no stranger
Carry us beyond we similar in behavior
Them no understand our customs and we flavor
Need a natty dred to be the new care taker, lord! Wa oh oh, wa oh oh
Wa oh wa oh wa oh way
Wa oh oh, wa oh oh
Wa oh wa oh wa oh way
