

# Unconditional

## Kehlani

I'm far from perfect, nothing even close  
But that's what makes me beautiful, that's something you should know  
I'm not looking for someone to tell me how to row my boat  
So let me live and let me learn I promise we will grow

If you love me like you say you love me  
You'll be a man, you'll grab my hand  
Take me as I am  
I wanna l-l-l-l-l-l-love unconditional  
I wanna l-l-l-l-l-l-love unconditional  
I wanna l-l-l-l-l-l-love unconditional  
I wanna l-l-l-l-l-l-love

Sometimes I come home and I'm sweaty from the day  
And my hair's all in a messy bun cause I had to get it out my face  
And I rather lace my sneakers up cause high heels ain't my thing  
And I don't see a flaw in that, never one to change

So if you love me like you say  
You'll be my man  
Grab my hand  
Take me as I am
