

# Unnatural Selection

## Aireon

They'll laugh as they watch us fall  
The lucky don't care at all  
No chance for fate, it's unnatural selection  
I want the truth  
I'm hungry for some unrest  
I want to push this beyond a peaceful protest  
I wanna speak in a language that they'll understand  
Dedication to a new age  
Is this the end of destruction and rampage?  
Another chance to erase then repeat it again  
Counter balance this commotion  
We're not droplets in the ocean, ocean  
They'll laugh as they watch us fall  
The lucky don't care at all  
No chance for fate, it's unnatural selection  
I want the truth  
No religion or mind virus  
Is there a hope that the facts will ever find us?  
Just make sure that your are looking out for number one  
I'm hungry for an unrest  
Let's push this beyond a peaceful protest  
I wanna speak in a language that you will understand  
Counter balance this commotion  
We're not droplets in the ocean, ocean  
They'll laugh as they watch us crawl  
The lucky don't share at all  
No hope for fate, it's a random chance selection  
I want the truth  
Try to ride out the storm  
Whilst they'll make you believe  
That they are the special ones  
We have not been chosen  
Injustice is the norm  
You won't be the first  
And you know you won't be the last  
Counter balance this commotion  
We're not droplets in the ocean, ocean  
Ocean, ocean

They'll laugh as they watch us fall  
And the lucky, they don't care at all  
No chance for fate, it's unnatural selection  
I want the truth, I want the truth  
I want the truth, I want the truth
