

A Father's Love

[George Strait](#)

I got sent home from school one day with a shiner on my eye
Fighting was against the rules and it didnt matter why
When Dad got home I told that story just like Id rehearsed
Then stood there on those trembling knees and waited for the worstAnd he said, Let me tell you a secret, about a
fathers love
A secret that my daddy said was just between us
He said daddies dont just love their children every now and then
It's a love without end, amen, its a love without end, amenWhen I became a father in the spring of 81
There was no doubt that stubborn boy was just like my fathers son
And when I thought my patience had been tested to the end
I took my daddys secret and I passed it on to himAnd I said, Let me tell you a secret, about a fathers love
A secret that my daddy said was just between us
I said daddies dont just love their children every now and then
It's a love without end, amen, its a love without end, amenLast night I dreamed Id died and stood outside those
pearly gates
When suddenly I realized there must be some mistake
If they know half the stuff I done theyll never let me in
Then somewhere from the other side I heard these words againAnd they said, Let me tell you a secret, about a
fathers love
A secret that my daddy said was just between us
You see daddies dont just love their children every now and then
It's a love without end, amen, its a love without end, amen
