

Stephanie Says

Lady & Bird

Stephanie says
That she wants to know
Why she's given half her life
To people she hates now
Stephanie says
When answering the phone
"What country shall I say is calling
From across the world?"
That she's not afraid to die
That people all call her Alaska
Between worlds so the people ask her
'Cause it's all in her mind, it's all in her mind
Stephanie says
That she wants to know
Why is that she's the door
She can't be the room
Stephanie says
But doesn't hang up the phone
What seashell she is calling
From across the world
That she's not afraid to die
That people all call her Alaska
Between worlds so the people ask her
'Cause it's all in her mind, it's all in her mind
You're asking is it good or bad
It's such an icy feeling
It's so cold in Alaska
It's so cold in Alaska
It's so cold in Alaska
