Somethin' Stupid

MIDIFine Systems

I know I stand in line until you think you have the time to spend an evening with me
And if we go someplace to dance I know that there's a chance you won't be leaving with me
And afterwards we drop into a quiet little place and have a drink or two
And then I go and spoil it all by saying something stupid like I love you...
I can see it in your eyes that you despise the same old lines you heard the night before
And though it's just a line to you for me it' true it never seemed so right before
I practice every day to find some clever lines to say to make the meaning come true

But then I think I'll wait until the evening gets late and I'm alone with you
The time is right your perfume fills my head the stars are bright
and oh the night's so blue ----And then I go and spoil it all by saying something stupid
like I love you.
Musical Interlude
The time is right your perfume fills my head the stars get bright and oh the night's so blue
And then I go and spill it all by saying something supid
Like I love you ..... I love You ..... I love You .... I love you
