

I'm Not Done (Live in Lulea)

Fever Ray

So, I lost my head a while ago
But you seem to have done no better
We set fire in the snow
It ain't over, I'm not done Some do magic, some do harm
I'm holding on, holding on
I'm holding on to a straw Who is the Alpha? What is made of cloth?
How do you say you're sorry?
And there's nothing to be afraid of Is it dark already? How light is a light?
Do you laugh while screaming?
Is it cold outside?
