

# Harmony (7" Version)

## Blonde Redhead

Harmony  
You're jaded  
I want you  
Stick 'em up  
While I count  
The wall  
Harmony  
You're jaded  
I'm gonna  
Stick it up  
It's gonna  
Right the wrong  
No one is clear  
Breathing you to his lungs  
Three thousand ways  
Walking under the sun
