

# Seven Walls

## Gaz Coombes

Let's climb up the seven walls  
Share a stolen thought  
    In a parking lot  
A few hours until the light  
    We trace out the stars  
'Cause the night is ours  
    But the fallen rain  
Couldn't stop the fires that burn for you  
    Still have yellow, marked with coal  
        The numbers barely readable  
So let's walk down to Cherry Cove  
    Share a little smoke  
    And watch the paper burn  
        In the water .?  
    And the a kiss in the dark  
'Cause the night is ours  
    But the fallen rain  
Couldn't stop the fires that burn for you  
    But the empty streets will fill with life  
        So don't step on the cracks  
        'Cause I love you tonight  
So let's climb up the seven walls  
    Share a stolen thought  
    'Cause the night is ours  
    So don't step on the cracks  
    'Cause I love you tonight  
    Don't step on the cracks  
    'Cause I want you tonight
