

Shangri-La

Digitalism

Baby if you want to,
I'll take you to Shangri-La,
And walk up to the shore You can dance if you want to,
Be a rising star,
In a distant glow Baby if you want to,
I'll take you to Shangri-La,
It's the other way across the line Let me know when you need it,
It's a different space,
In a different time.
