

# Attack Of The Ghost Riders

## The Asteroids Galaxy Tour

Lipstick on my face  
Thunder in the sky  
The shades are drawn  
Don't ask me why

But with the ghost riders on the go  
I think you know  
But with the ghost riders on the go  
I think you know  
It goes something like this

Crater in my brain  
Where the strippers go insane  
Cabin number four  
Ain't gonna smile no more

But with the ghost riders on the go  
I think you know  
But with the ghost riders on the go  
I think you know  
It goes something like this

Attack of the ghost riders
