Fly (feat. Nathan)

Common Tiger

Getting caught of by something and
getting ripped of a third wing
I'm snapping it up
and that's why we

Have no time for a right swing
and all above I shouldn't stick around too long in here
Whoo

That's why we..
That's why we fly
That's how we fly
That's how we fly-y-y

That's how we fly
That's how we fly
That's how we fly-y-y

Getting caught up by something
and as I spin teared apart
another piece reveals
That's why we

Remember scenes from my first two stabs
Seems so unachievable
Seems so unbelievable

That's why we..
That's why we fly
That's how we fly
That's how we fly-y-y

That's how we fly
That's how we fly
That's how we fly-y-y

Looking out to the wild wild sky
Catching up some ??? to find
through the night

though the wild wild wild

That's why we fly
That's why we fly
That's why we-e

That's why we fly
That's how we fly
That's how we fly-y-y

That's how we fly
That's how we fly
That's how we fly-y-y
