

# Liquor and Milk

## Admiral Fallow

We scaled the wall  
I'll jump the highest  
Episodes of partial blindness  
Always treading  
Careful ever onwardWhen we woke up  
We bandaged it  
In cotton wool  
In liquor and milk  
Tiny rewards  
Best that we could hope for  
It's now wrapped in a memory  
Hid within the finest of company  
Da di di da di da diWe could not win  
That awful thing  
We had it all  
Back to the start  
And mended smart  
We had it allWe scaled the wall  
I'll jump the highest  
Episodes of partial blindness  
Always treading  
Careful ever onwardWhen we woke up  
We bandaged it  
In cotton wool  
In liquor and milk  
Tiny rewards  
Best that we could hope for  
It's now wrapped in a memory  
Hid within the finest of company  
Da di di da di da di  
We could not win  
That awful thing  
We had it allBack to the start  
And mended smart  
We had it all
