## Handsome Boy Modeling School

Handsome Boy Modeling School is the best sixty dollars you ever spend  
If it wasn't for Prince Paul and Automator, I would not be the model  
I am today and I would not have the confidence to go  
To the Handsome Boy Modeling School Move yourself up in the world  
Go to Handsome Boy Modeling School  
Sixty dollars you won't be sorry for long Handsome Boy Modeling School is the best sixty dollars I ever spent  
If you got sixty dollars left in your pocket  
Go to Handsome Boy Modeling School, you won't be sorry for long  
Prince Paul and Automator made me the model I am today Wasn't for Prince Paul and Automator I would be  
modeling  
In Albania or some Balkan country still, ha, ha okay  
If it wasn't for Prince Paul and Automator I would not be the model  
I am today and hopefully tomorrow, Hefe Handsome Boy Modeling School gave me the confidence to be a  
model  
If it wasn't for them, I would still have sixty dollars  
Prince Paul and Automator made me the best model  
On the runway in all the Balkan countries put together
