

Kingdom Come (2017 Remastered Version)

David Bowie

Well I walked in the pouring rain
And I heard a voice that cries "It's all in vain"
The voice of doom was shining in my room
I just need one day somewhere far away
Lord I just need one day Well I'll be breaking these rocks
And cutting this hay
Yes I'll be breaking these rocks
What's my price to pay
Well the river's so muddy, but it may come clear
And I know too well what's keeping me here
I'm just the slave of a burning ray
Oh give me the night, I can't take another sight
Please, please give me the night Well I'll be breaking these rocks
And cutting this hay
Yes I'll be breaking these rocks
What's my price to pay Sun keeps beating down on me, wall's a mile high
Up in the tower they're watching me hoping I'm gonna die I won't be breaking no rocks
I said "I won't be breaking no rocks"
(I won't be breaking no rocks) Oh-oh-oh
(I won't be breaking no rocks) Oh-oh-oh
(I won't be breaking no rocks)
When the kingdom comes (repeat ad inf)
