

I Just Don't Know What to Do With Myself

[Linda Ronstadt](#)

I just don't know what to do with myself
Don't know just what to do with myself
I'm so used to doing everything with you
Planning everything for two and now that we're through I just don't know what to do with my time
I'm so lonesome for you it's a crime
Going to a movie only makes me sad
Parties make me feel as bad
When I'm not with you I just don't know what to do Like a summer rose needs the sun and rain
I need your sweet love to ease all the pain I don't know just what to do with myself
I don't know just what to do with myself
Baby if your new love ever turns you down
Come back I will be around just waiting for you
I don't know what else to do Like a summer rose needs the sun and rain
I need your sweet love to ease all the pain I don't know just what to do with myself
I don't know just what to do with myself
Baby if your new love ever turns you down
Come on back I will be around just waiting for you
I don't know what else to do No no no
I don't know what else to do
I'm just so crazy for you
No no no no
I don't know what else to do
I don't know what else to do
