# Envy

## Mandy Harvey

...
Please save me from the person I've become
The world is changed into a place that can't be won
Though I know I should leave it all behind
There's so many things that I wish were mine
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
I can see that green light in your eyes;
It's calling you and it comes as no surprise
It will change you, please darling turn away
Or you'll be looking at yourself one day
When envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
...
One day soon
Someone coming up your town
Will take that smile and turn it all around
When you try to stand and hold your head up high
You will crumble, and baby, you know why
Envy rocks the boat my love
Let it go
A heart of peace is the only way to grow
Shuffle off that feeling
You know it's greed
And turn around, you're way more than you need
When envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
...
Envy rocks the boat my love
Let it go

A heart of peace is the only way to grow
Shuffle off that feeling
You know it's greed
And turn around
You're way more than you need.
When envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
Envy rocks the boat
...
Envy rocks the boat
