

# Envy

## Mandy Harvey

...

Please save me from the person I've become  
The world is changed into a place that can't be won  
Though I know I should leave it all behind  
There's so many things that I wish were mine

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

I can see that green light in your eyes;  
It's calling you and it comes as no surprise  
It will change you, please darling turn away  
Or you'll be looking at yourself one day

When envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

...

One day soon

Someone coming up your town

Will take that smile and turn it all around

When you try to stand and hold your head up high

You will crumble, and baby, you know why

Envy rocks the boat my love

Let it go

A heart of peace is the only way to grow

Shuffle off that feeling

You know it's greed

And turn around, you're way more than you need

When envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

...

Envy rocks the boat my love

Let it go

A heart of peace is the only way to grow

Shuffle off that feeling

You know it's greed

And turn around

You're way more than you need.

When envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

Envy rocks the boat

...

Envy rocks the boat
