

For Your Eyes Only

[Sheena Easton](#)

For your eyes only, you can see me through the night
For your eyes only, I never need to hide
You can see so much in me
So much in me that's new
I never felt, until I looked at you For your eyes only, only for you
You see what what no one else can see
No one's breaking free, for your eyes only
Only for you The love I know you need in me
The fantasy you freed in me
Only for you, only for you For your eyes only, the nights are never cold
You really knew me, that's all I need to know
Maybe I'm an open book
Because I know your mind
But you won't need to read between the lines For your eyes only, only for you
You see what no one else can see
No one's breaking free, for your eyes only
Only for you The passions that collide in me
The wild abandoned side of me
Only for you, for your eyes only
