

Show Me Love

Slim Thug

Yeah, we back
Slim Thugga, Mannie Fresh
This for the real niggas in the club, mayne
Holla at 'em Fresh
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
Don't call it a comeback, 'cause I been here for years
Wreckin' my peers, through the blood, sweat and tears
Here it is, Thugga back at it like a addict
No matter the price, give it here I gotta have it
When I step up out my house, everyday I gotta show off
Clean than a bitch with the price tag tow off
Everythang new, straight up out the mall
From my pants, to my shirt, to my shoes, to my draws
I show ya how to ball, take notes and keep looking
Stay tuned to the show and see what Thugga got cooking
Money back guaranteed, everyday I'm a go off
I'm rich than a bitch, shit I might as well show off
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off

Clean in this bitch with the price tag tow off
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
Thugga fresh like a Mannie be, Dillerman, hand me keys
Pull up off the lot, drop coupe, three hundred G
Man, it's so fun to be me, I'm the wannabe
On ya TV, yeah G, I'm the one you see
The rose was the blessing so I pull that out the Sunday
The Benz the work card, so I pull that on Monday
The coupe good on gas, so I dry that all week
And I pull out my slab, when I shut down the streets
I'm a beast, hit the jury man with my peeps
Big hundred carrot badge, I'm the captain of the streets
Roll deep like police, blue boys got it lock
Ya see me on patrol in ya hood on yo block
Holla
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
When I hit the club all the girls show me love
(Show me love)
'Cause worldwide they be fuckin' with Thug
Because the boss got class, the boss stay G'ed
I'm everywhere you ain't never there, where you be?
I got a crib in Miami, house side in Cali
Spot in ATL, but I be out there Bally

'Cause I live in the H, and got hoes round the globe
Stacking up you want, I'm getting doe by the low
That's how I stay froze and fresh with the clothes
My closet got mo kicks than they got in the sto's
I pop tags, shirt match my badge
Eyelids low, looking at the Prada glass
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
