

The Mess

The Perms

You sailed away one night in June
I heard you say you would be back soon
But since that day it's been on long loon Oh, sweet darling the mess I'm in I spoke to Jimmy with the big tattoo
Said had he seen any sign of you?
He looked at me and then laughed at you
See just wait a minute Oh, darling what a mess I'm in When I want ya do I get ya?
All I needed your number
Will you give me your number? Oh sweet darling, oh sweet darling
Oh, sweet darling what a mess I'm in
What a mess I'm in, since you left me
What a mess I'm in When you're near me can you hear me?
I can't see ya but I can feel ya
When you're near me can ya hear me?
