I'm Always In Love

Wilco

Why I wonder
Is my heart full of holes?
And the feeling goes
But my hair keeps growingWill I set the sun
On a big-wheeled wagon?
I'm bragging
I'm always in loveWhen I let go
Of your throat-sweet throttle
When I clean
The lash of your black-belt modelWill I catch the moon
Like a bird in a cage?
It's for you I swoon
I'm always in loveI don't get the connection
This is only a test
I hope, I do my best
You know, I wont forgetWhen I fold the cold
In my jet-lag palm
When I soak so long
I forget my motherWill I set the sun
On a big-wheeled wagon?
Oh, I'm bragging
I'm always in loveIt's a drag, I sang
Oh, I'm always in love
Oh, I'm worried
I'm always in loveI'm worried
I'm worried
I'm worried
I'm always in love
...
