

# I'm Always In Love

Wilco

Why I wonder  
Is my heart full of holes?  
And the feeling goes  
But my hair keeps growing Will I set the sun  
On a big-wheeled wagon?  
I'm bragging  
I'm always in love When I let go  
Of your throat-sweet throttle  
When I clean  
The lash of your black-belt model Will I catch the moon  
Like a bird in a cage?  
It's for you I swoon  
I'm always in love I don't get the connection  
This is only a test  
I hope, I do my best  
You know, I won't forget When I fold the cold  
In my jet-lag palm  
When I soak so long  
I forget my mother Will I set the sun  
On a big-wheeled wagon?  
Oh, I'm bragging  
I'm always in love It's a drag, I sang  
Oh, I'm always in love  
Oh, I'm worried  
I'm always in love I'm worried  
I'm worried  
I'm worried  
I'm always in love
